Prof. Yuko Fukushima

International Student Discussion Forum Discussion in English with students from around the world!

Theme: Peacebuilding in the Midst of Conflict

War affects us all. The war in Ukraine affects the entire world including Northeast Asia. Japan has a serious border dispute with Russia and is also concerned about China's aggression towards Taiwan and in both the South China Sea and the East China Sea. Looking especially from the perspective of Japan and Northeast Asia, let's discuss Peacebuilding in the Midst of Conflict.

Program

- **Welcome and Introduction to Theme**
- **Shanti Shanti Student Presentation**
- Talk by **Professor Fukushima** on *Peacebuilding in the Midst of Conflict*
- **Student Discussion** in small groups
Students should come prepared to talk in small groups with other students.

Participants: University students from MISEN and IAMSCU member institutions around the world are welcome to join. About 30-40 participants are expected. Each participating college will handle communications with their own students including registrations.
